Name City and State

ESSAY – Please submit a typed essay, 500 word minimum. Your essay must include a bibliography.

Essay Topic:

Artificial Intelligence is becoming more involved in our daily lives; computers are performing tasks that were typically done by humans, such as learning, problem solving, and decision-making.

How will AI change the future and what concerns do you have about AI? Do you think AI can improve or disrupt your daily life? Which industries do you see AI affecting the most and will AI be positive or negative in the job markets for Union and non-union working class people in America?
